

## VICE PRESIDENT – CANDIDATE APPLICATIONS:

<b>Name</b>	<b>Jeffrey L. Haberstroh</b>
<b>Company</b>	<b>Project Control</b>
<b>Title</b>	<b>Vice President</b>
<b>Brief Description of Current Work Responsibilities:</b>	Executive Leadership for a national project management/program management company
<b>Outline of Past Work History:</b>	30+ years in the industry serving in leadership roles from Sr. Project Manager to Executive in Charge of large commercial construction project in Texas
<b>Outline of Involvement in CMAA &amp; Other Industry Organizations (Indicate Leadership Positions Held, If Any):</b>	Member in good standing. Have participated in the national conference years past as a program speaker for successful project delivery methods. Have also presented and moderated monthly chapter meeting programs on the local level.
<b>I am applying for the Vice President position because:</b>	<p>My involvement in other organizations has subsided and I have recently stepped down from an elected governmental position as city councilman. This has afforded me the opportunity to get more involved with the industry to better my giving back to the construction community.</p> <p>There is great value in the organization and I feel that I could contribute my skill that have been developed over the past 30 years as a project/program manager in several different market places.</p> <p>I have been a community leader for more than 20 years and this provides a wide range of contacts that can help shape and structure the future of our organization.</p>
<b>What impact do you think you can make to the CMAA South Central Texas chapter by serving on the Board?</b>	<p>I can bring corporate business skills and contact to the organization. I believe I possess a third party independent view of project management techniques and processes to have been utilized in both the public and private sectors to better operational excellence.</p> <p>I have solid fundraising skills having served on several not for profit board across South Texas and chaired capital campaigns.</p> <p>I believe I have strong recognition in the chapter and Texas with current clients and municipal leaders that can transcend the value of CMAA and our chapter influences.</p>
<b>During your tenure, what ideas/changes would you like to see implemented?</b> <b>What are your goals?</b>	<p>I want to work to raise awareness of our organization, chapter, and national CMAA programs. I would work to increase the participation of our members with events and chapter meetings. I would work to build a bridge to other organizations in the construction community i.e. AIA, ABC, AGC, and National CMAA. I would like to develop a role with student chapters to get more involved to help guide the path of the next generation of project managers with the best skill set to serve our industry.</p>
<b>What are CMAA's strengths and weaknesses and where are some opportunities for improvement?</b> <b>How could you help CMAA to make those improvements?</b>	<p>Strength: Leadership, National Recognitions, Broad Reach and Diversity of membership.</p> <p>Weaknesses: Training &amp; Education offerings, Community participation with events, CMAA outside of Capital/Governmental roles, Industry outreach, and Branding our worth as an organization to the Owners and facility managers in the market.</p> <p>Professional development programs are both a strength and weakness as they help to advance the knowledge base of our membership, but we lack participation as a whole.</p>

<b>Name</b>	<b>Nicholas Tuttle</b>
<b>Company</b>	<b>AGCM</b>
<b>Title</b>	<b>Construction Manager</b>
<b>Brief Description of Current Work Responsibilities:</b>	Responsible in Charge for the Schertz Cibolo and Universal City ISD Bon Program. Currently acting as owners representative for the Samuel Clemens High School Additions and Renovations which has a \$72M bond allocation. Also managing several HVAC upgrades to schools within the district.
<b>Outline of Past Work History:</b>	Facilities Engineer and Project Manager for Northrop Grumman cleanroom facilities. Technical Software Specialist for faciliCAD Construction Manager for multiple school to include Steele HS, Wilder Intermediate, and Runge ISD
<b>Outline of Involvement in CMAA &amp; Other Industry Organizations (Indicate Leadership Positions Held, If Any):</b>	CMAA Member since 2015. Received a CCM in February 2017 and attended last year's National Conference in Washington DC.
<b>I am applying for the Vice President position because:</b>	AGCM has held a position on the CMAA board in Central Texas since the organization was founded. It is important to me that we continue the tradition to represent the organization and our industry appropriately.
<b>What impact do you think you can make to the CMAA South Central Texas chapter by serving on the Board?</b>	Would like to help bring the organization Owners, Architects, and Contractors to the organization to help grow our professional network. As well as get student involvement into the organization so we can start building our own future of the organization.
<b>During your tenure, what ideas/Changes would you like to see implemented?  What are your goals?</b>	Would like to encourage student involvement in CMAA. I believe its important that we start building our community pipeline instead of being nearly only professionals already working in the industry. We have a couple universities in the area that teach Construction Management or Construction Science within the San Antonio, Austin, and Corpus Christi region. These universities have already been tapped into by the large contractors to fill their pipeline with up and coming professionals. I would like to educate students about to join the workforce about what the impact Canstruction Managers have on the industry. This would also help advertise the scholarship program.
<b>What are CMAA's strengths and weaknesses and where are some opportunities for improvement?  How could you help CMAA to make those improvements?</b>	CMAA is a professional networking community and at its core the community needs to be able to network. This group has several people that are members that call me and that I call when guidance or suggestions are needed. This is one of the most valuable strengths that I currently get out of CMAA. However, I also believe that getting design professionals and contractors invested into CMAA is essential to keep open lines of communication between the different parties.

<b>Name</b>	<b>Aram Fyadi</b>
<b>Company</b>	<b>Versar LLC</b>
<b>Title</b>	<b>Project Manager</b>
<b>Brief Description of Current Work Responsibilities:</b>	Project Manager for three DOD DB projects
<b>Outline of Past Work History:</b>	Working at Versar for 5+ years and prior work as Project Engineer at US Army Corps of Engineers for four years.
<b>Outline of Involvement in CMAA &amp; Other Industry Organizations (Indicate Leadership Positions Held, If Any):</b>	Member since late 2017, member of NSPE
<b>I am applying for the Vice President position because:</b>	I applying for this position to better serve our CMAA chapter.
<b>What impact do you think you can make to the CMAA South Central Texas chapter by serving on the Board?</b>	Close the gap between Board and members of the CMAA SC Chapter.
<b>During your tenure, what ideas/Changes would you like to see implemented?</b> <b>What are your goals?</b>	Widening the horizon of the monthly meeting, invite DOD and Private sectors, opportunity for member speech and input on the agenda.
<b>What are CMAA's strengths and weaknesses and where are some opportunities for improvement?</b> <b>How could you help CMAA to make those improvements?</b>	Establish polls to receive member's thoughts and explore more ideas for the monthly meetings above and beyond the traditional ones.

**TREASURER – CANDIDATE APPLICATIONS:**

<b>Name</b>	<b>Jacob Powell</b>
<b>Company</b>	<b>City of San Antonio- Transportation &amp; Capital Improvements</b>
<b>Title</b>	<b>Storm Water Engineering Manager</b>
<b>Brief Description of Current Work Responsibilities:</b>	Manager for storm water engineering review team; Floodplain administrator.
<b>Outline of Past Work History:</b>	2014-Present: COSA- TCI • Floodplain administrator • Manage storm water engineering review team • Capital project and land development review • Multiple special projects and tasks related to policy updates and stakeholder engagement 2007-2014: Pape-Dawson Engineers • Land Development Civil Engineering Design • Substantial experience with K-12 and Higher Education projections • Design • Construction & Bid Document Preparation • Construction Phase Services
<b>Outline of Involvement in CMAA &amp; Other Industry Organizations (Indicate Leadership Positions Held, If Any)</b>	I have been a member of CMAA since 2017 and currently serve as the Scholarship Committee Chair. I am also currently a member of TFMA and TPWA.
<b>I am applying for the Treasurer position because:</b>	As scholarship committee chair for the CMAA SCTX Chapter, I have had some involvement with reviewing revenue and expenditures, including awarding \$5,500 in scholarships in 2018.  The treasurer and scholarship committee chair positions go hand in hand, and I believe I could step in as treasurer and handle both roles. It is imperative that the local CMAA chapter remain financially sound and in good graces with the national organization and the IRS.
<b>What impact do you think you can make to the CMAA South Central Texas chapter by serving on the Board?</b>	It is important to have owner representation on the CMAA board. I can continue the presence of COSA on the board. Additionally, we made substantial strides in presenting scholarships during my first year as scholarship chair- increasing from \$0 to \$5,500. I believe I can make a similar impact to the treasurer position.
<b>During your tenure, what ideas/Changes would you like to see implemented?  What are your goals?</b>	I would like to see more consistent revenue and expenditure reporting. My goals would be: <ul style="list-style-type: none"> <li>• Work with the fundraising and scholarship committees to implement a 2-3 year budget plan.</li> <li>• Develop a consistent budget report that can be easily passed on to future treasurers.</li> <li>• Provide quarterly budget updates at the CMAA membership meetings.</li> </ul>
<b>What are CMAA's strengths and weaknesses and where are some opportunities for improvement? How could you help CMAA to make those improvements?</b>	CMAA's strengths include cultivating the relationship between owner and construction manager. Locally, we could improve by increasing membership and activity in Austin and in other cities outside San Antonio. As treasurer, I could provide clear understanding of the budget plan in support of increasing membership and activity in these areas.

<b>Name</b>	<b>Mari Zapata</b>
<b>Company</b>	<b>AGCM, Inc.</b>
<b>Title</b>	<b>Construction Manager</b>
<b>Brief Description of Current Work Responsibilities:</b>	Manager the construction of projects through all design phases, budgeting and programming, through turn over to the owner
<b>Outline of Past Work History:</b>	I have been employed with AGCM for 12 years. I started as an estimator for 4 years and have been a construction manager for 8 years.
<b>Outline of Involvement in CMAA &amp; Other Industry Organizations (Indicate Leadership Positions Held, If Any):</b>	I acquired my CCM in April of 2017, and am an alumni of Leadership Corpus Christi and Leadership Texas. I regularly attend CMAA monthly meetings as well as the National CMAA conference
<b>I am applying for the Treasurer position because:</b>	I am applying for the position of Treasure because I would like to get move involved in the CMAA organization. I have appreciated the information I have acquired from attending the meetings and events and would like to contribute to the growth of the organization in the South Central area.
<b>What impact do you think you can make to the CMAA South Central Texas chapter by serving on the Board?</b>	I would like to apply the leadership skills I have acquired from being a member of Leadership Corpus Christi and Leadership Texas to the CMAA meeting and events with new ideas for member involvement.
<b>During your tenure, what ideas/Changes would you like to see implemented? What are your goals?</b>	The CMAA Board is a team, therefore, I would like to see how the team fits with each other before determining goals; however, growth of the organization and promoting CCM certifications is always a top goal.
<b>What are CMAA's strengths and weaknesses and where are some opportunities for improvement? How could you help CMAA to make those improvements?</b>	I would like to the CMAA provide more support and guidance to those trying to acquire their CCM.
